**Missions**

As part of an ambitious and dynamic team, you will be responsible for assisting in the coordination, development and run of blockchain projects. You will be part of a team where results are a keyword and where performance leads to value. Our ambition is nourished by a strong team spirit. In the daily professional life, this translates into simple, well-constructed and well-executed actions.

**Roles & Responsibilities**

- Specification and design of blockchain project (improvement of existing projects or new ones)
- Following the development with the IT team as well as with the clients
- Coordinating the intervention of different skills centers (marketing and design)
- Carrying out analysis and research on concrete projects with high traction
- Participate in the launch and development of new ventures
- Prepare and participate in meetings with external clients
- Working closely with state and institutional actors

**Your profile**

We’re looking for our new rockstar! You are not afraid of challenges and you are eager to learn. You know how to prioritize tasks and are able to manage heavy workloads. You are autonomous, have excellent interpersonal skills and demonstrate an entrepreneurial spirit.

**Requirements**

- You have studied at a renowned engineering school and have a master’s degree
- You have a strong interest in new technologies and the impact of digitalization
- You are fluent in French and English, German is a plus.

**Cultural Fit**

- Flexibility and motivation
- Strong team spirit, transparent communication, and self-management
- Quest for constant learning (new technologies & blockchain)
- A real passion for technology, security

**Personal Requirements**

- Ability to work for and in a team
- Autonomous worker, able to work independently

Applicants must be Swiss resident or have a valid permit for Switzerland.
About Wecan

Wecan is a Swiss based company created in 2015. We co-create, run and scale joint ventures to transform socio-economic paradigms through pioneering blockchain solutions. We address our partner’s needs in different industries through our blockchain competencies and a co-creation process.

Our vision

At Wecan, we believe that successful digital technologies are built around people and they are shaped by people’s needs. After an era of exponential digitalization growth, the rise of mobile phones dramatically increased the usage of online services... We believe that the next ten years will increasingly focus on trust, privacy and security. We believe that blockchain and decentralized infrastructure are a much-needed change of the way digital services have been built up to now. And we firmly believe that it is urgent to start putting those features at the heart of business models right now.

Why join Wecan?

From your first day, you will actively contribute to the Blockchain innovative project using by companies with national and global reach. You will be working on project to reshape businesses, invent new products, and transform some paradigms using the latest technologies.

Could we spark your interest?
We look forward to receiving your application!
